About This Game

A side-scrolling action puzzle game starring ghosts!

...What was that sound? Is somebody there?

Leave the dusty halls of an abandoned clock tower to haunt your way through a town in the dead of night! Possess objects with your ghostly soul, to scare people away from a museum, a hospital, a theatre and a cruise ship. Will you be able to scare everyone out and reclaim what has been lost, before the night is over?

Features

- Three free expansions added since launch! Ghost Train, Mansion House and The North Pole!
- A vibrant town with 5 locations to visit, each with it's own musical style and unique objects
- Hundreds of different objects to possess, with several surprising powers each to try
- A beautiful original score featuring world-class live session musicians
- A large cast of townfolk, each with a personality, voice and sense of style

-
- A secret second goal beyond simply scaring everyone out of town...
